

Attorney Docket No. 34793-503

RECEIVED
CENTRAL FAX CENTER

DEC 04 2006

Amendments to the specification:

Please delete the paragraph beginning on page 3, line 12 with:

FIG. 5 shows the ionization membrane being used as a propulsion system; and

FIG. 6 shows this propulsion system in its housing with top and bottom
accelerator grids; and

~~FIG. 7 shows an aperture to carry the gas into the ionization field.~~
